**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. It is a fundamental to our ability to prosper as a nation in this world. DON'T STIFLE ACCESS! Business, consumers, families depend on access to quality internet. New and innovative companies in this space are opening the doors to faster and more reliable internet, and help keep these newer technologies at reasonable prices for customers to use.
